

# Attack

Performance agility turf

## CHARACTERISTICS

**A.** Attack boasts a matte polyethylene blade that delivers omnidirectional curl to eliminate pile direction and maintain a flawlessly smooth aesthetic. Smooth sled push, slip resistance and various color options combine to provide a world-class synthetic grass system capable of dynamic branding and water jet logo compositing.

**B.** Attack comes fused to a 5mm foam pad designed to complement the pile's characteristics, absorbing shock and returning charge for safe, natural movement.

## APPLICATIONS

Attack's characteristics are highlighted in an indoor training setting, but it also offers an excellent solution for indoor/outdoor athletic fields and multi-purpose recreational areas.

## WARRANTY

PLAE warrants that Attack, when installed using recommended procedures and adhesives, shall be free of manufacturing defects under normal use for 8 years from the date of installation. Please see Attack's warranty for details.

# Attack

Performance agility turf

Attack delivers an aggressive, durable synthetic grass system, meticulously engineered to promote safety and performance. In addition to boosting resistance to weather and moisture damage, Attack's polyethylene pile offers low abrasion levels and omnidirectional curl that eliminates matting.

## PHYSICAL CHARACTERISTICS

**Surface:** Soft, short grass appearance

**Thickness:** Approx. 19mm

Pile: 14mm

Foam Backing: 5mm

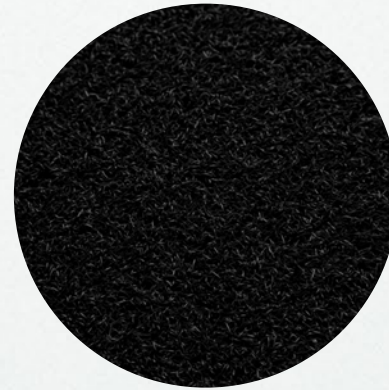

**Face Weight:** 48oz/sq. yard

**Total Fabric With Foam:** 135oz/sq. yard

**Roll Length:** Custom

**Roll Width:** 15'
