

## Spec | Score

### DESCRIPTION

**MATERIALS:** Maple hardwood, APA rated plywood sheathing, conical pads, polyethylene, and wood finish

**ATTRIBUTES:** Floating multi-purpose hardwood system consists of a vapor barrier, force-reducing conical pads, plywood subflooring, and maple hardwood planks. Entire system provides shock absorption and polished maple lends a professional aesthetic that requires minimal upkeep.

### APPLICATIONS

Score is truly multi-purpose. Though we recommend it especially for basketball gyms, Score's timeless hardwood aesthetic lends polished sophistication to any functional space.

### WARRANTY

PLAE warrants that Score, when installed using PLAE's recommended procedures and adhesives, shall be free from manufacturing defects under normal use for a period of 1 year from the date of its original installation. Please refer to Score's warranty for full details.
