

Warranty | **Stealth – Nebula, Nova, & Obsidian**

Stealth products are guaranteed to be free of manufacturing defects in material and workmanship for 5 years from the date of manufacturing. This warranty is in lieu of any other warranty, whether expressed or implied, including but not limited to any implied warranty of merchantability or fitness for a particular purpose.

This warranty does not cover floor damage caused (in whole or in part) by fire, wind, flooding, moisture, or other unfavorable atmospheric conditions or chemical action. Nor does it apply to damage caused by ordinary wear, or misuse, including but not limited to: burns, cuts, tears, scratches, scuffs, damage from rolling loads, damage from cleaning products not recommended by PLAE, slight shade variations or shade variations due to exposure to direct sunlight, or differences in color between samples or photographs and actual flooring. Nor does it include abuse, negligent or intentional misconduct, aging, faulty building construction, concrete slab separation, faulty or unsuitable subsurface or site preparation, settlement of the building walls or faulty or unprofessional installation.

PLAE shall not be liable for incidental or consequential losses, damages or expenses directly or indirectly arising from the sale, handling, or use of the materials (goods), or from any other cause relating thereto.

All claims by the owner under this warranty must be made in writing to PLAE within thirty (30) days of the owner receiving notice of defect. PLAE's obligation under this limited warranty is restricted to the isolated value of the product involved. PLAE solely holds the option to replace either all of the product or only the affected part of the product. PLAE's replacement policy is to supply the end user or contractor with a new product based on original specifications at the time of manufacturing.

Warranty does not cover dissatisfaction, problems or damages to material due to or as a result of the following :

1. Use of harsh and acidic chemicals, acidic foods and abrasive chemicals
2. Water spotting, petroleum adhesives, floor sealants, or related abuse
3. Wear or product degradation expected from the circumstances of installation
4. Exposure to chlorine or other harmful chemicals
5. Acts of negligence, misuse, or willful or accidental external influences, including but not limited to vandalism and acts of war
6. Material that is not installed and maintained as recommended by PLAE
7. Damage to flooring products from pallet jacks, forklifts and tow-motor traffic
